

Karakia - ‘E ara’

E ara e te rā, taratara mai e te rā

Te tahatū tonu o te rangi

Te uranga tara ā moana

Whakaura tara ā uta, ki Pukehīnau

Te puna mātūrūturu ki Waikoukou

Turuturua te ara, Takina ake, Poupou ake

Tūramarama ki whēuriuri,

Māramarama ki whēkerekere

Ka ahoaho ki whea? Hei anei!

Koia

The sun rises, send its rays into the sky

From beyond the skyline

The glow sent over the peaks on the sea

Casting a glow on the peaks inland at Pukehīnau

Sending the spring's flow down Waikoukou

Stay on your path (the sun) rise up, reach your height

All darkness given light

Things unknown can be understood

The light can be found where? It is here.

It is.
