

The Australasian Society for Immunology
cordially invites you to the
Burnet Oration

delivered by

Professor John Fraser PhD, FRSNZ
Dean, Faculty of Medical and Health Sciences
University of Auckland

*“A REFLECTION ON 40-YEARS OF
IMMUNOLOGY FROM DOWN-UNDER”*

Monday 2 December 2013

5:30 – 6:30 pm

Main Auditorium

Michael Fowler Centre

The **Burnet Oration** celebrates the contributions of New Zealand and Australian scientists to the field of Immunology. It is named after Sir F. MacFarlane Burnet who was awarded a Nobel Prize in Medicine in 1960 for his work on the Clonal Selection hypothesis – one of the founding principles upon which our understanding of how the adaptive immune system is based.

The Burnet Oration is supported by CSL Ltd.

To register your attendance, please e-mail
dscarlett@malaghan.org.nz with “RSVP
– Burnet” in the subject line.
